About Uttaranchal University

Uttaranchal University is recognized by the UGC under sections 2(f) and 12 (B) of the UGC Act, 1956, and by other statutory bodies of the State and the Nation. The University has been promoted by Sushila Devi Centre for Professional Studies & Research, a society registered under the Societies Registration Act (1860). The University has been accredited with the prestigious "A+ Grade" by the National Assessment and Accreditation Council (NAAC). Uttaranchal University has become the first university in the State of Uttarakhand to receive "NAAC A+" Grade in the first cycle of Accreditation and thus created a history. This firmly positions the University among the top 5% HEIs of the nation. The University is undeterred in its mission to provide the best experiential learning to all its students whether regional, national or international, through multi-disciplinary teaching-learning, investing in research and innovation.

INTERNATIONAL CONFERENCE

About Conference

The International Conference of Library & Technology on Artificial Intelligence and Humanities in Library and Education 4.0 presents an innovative platform for exploring the transformative potential of artificial intelligence (AI) within the realms of libraries, humanities, engineering and science. Through a comprehensive program spanning diverse topics, this conference aims to elucidate how AI-driven technologies and virtual environments can revolutionize traditional library services and educational practices. Attendees will delve into cutting-edge applications of AI, ranging from advanced cataloging systems to personalized learning experiences, while also exploring the immersive possibilities of virtual libraries. Moreover, the conference will provide a forum for discussing crucial ethical considerations and challenges, such as privacy and algorithmic bias, as well as for envisioning future directions and collaborative opportunities in this rapidly evolving landscape.

About Central Library

The Central Library, Uttaranchal University, offers a balanced combination of print and digital collections. Keeping in pace with the above spirit and Uttaranchal University's goal to "promote quality education, the spacious, Central Library offers a platform for research, innovation and development. The Central Library has a rich collection of more than 174416 volumes with 16920 unique titles related to Engineering, Management, CSE, Applied and Life Sciences, Law, Pharmacy, Nursing, Hotel & Hospitality Management, Agriculture, Journalism & Mass Media, and Health Science, 142740 e Books, 9955 online journals spread across all the libraries located in different academic blocks of university campus. The online databases like JSTOR, JSTOR SAOA, IEEE, Sage, EBSCO BSE, Manupatra, SCC Online, Hein online, Lexis Nexis EPWRE, and Indianjournal.com and membership of digital consortia's DELNET, National Digital Library of India, Shodhganga and e-Shodh Sindhu, Shodhshuddhi, and of other professional bodies offers a truly rewarding stimulus information resources and enriching experience for students and academia community.

About School of Liberal Arts

School of Liberal Arts was established in 2019 with an aim to provide students with comprehensive education and 21st century skills to enable them to excel in several careers in business, social sector and research. Liberal Arts education gives purpose, direction, and value to education and life with 360° personality.

The students find themselves exposed to ideas and topics that range from social history to human behaviour, from ancient English Literature to Contemporary Literature with various genres, from psychology to economics and history. The uniquely tailored programs will carve out the students with a new approach towards multifarious horizons, methods of enquiry, experiences and abilities that will help them to build a new world with more empathetic systems around them. SLA believes in sculpting the character of students as such to make them responsible and the best global citizens.

About Uttaranchal Institute of Technology

UIT is offering world-class education, fostering research, and including innovative applications of technology in its curriculum. The courses are planned to equip students to excel in their careers and make them capable of taking on leadership roles in society. Uttaranchal Institute of Technology is committed to providing a high-quality academic environment that motivates students to apply their knowledge and skills in different specialized fields and acquire more knowledge through academic research. The institute has a cosmopolitan environment that draws students from different parts of the globe. We have highly experienced faculty members who are strongly encouraged to nurture the hidden talents of students and help them to step out as world-class engineers, scientists, and great professionals. Uttaranchal Institute of Technology, Best and Top Engineering Institute in Uttaranchal, India, has created a globally competitive and research-oriented campus that ensures academic freedom, meeting of bright minds, and discoveries.
